BAY BOY SCOUTS ENJOY THREE DAYS AT SHELL BEACH

Bay St. Louis Boy Scouts returned home Saturday evening from a most enjoyable three-day camping trip to Shell Beach. Mayor R. W. Webb, elder friend of the boy, and who was originally one of the organization of the Bay Boy Scouts, planned the trip, and how well it was carried out is best told by the scouts, who have written the following chronicle for The Echo:

The camping party was composed of R. W. Webb, scout president, and acting scout master, Wallace Chapman, Eugene Ansley, Anthony Scarff, Judge Mauffray, Alton Mauffray, Roy Pollard, Bert Sigerson, Rufus Whitsitt, Amy Scott, Mrs. Sewell Firsching, John McDonald, Raymond Stills, Leon Capdepon.

THURSDAY, AUGUST 28.

The boy scouts assembled at 10 o'clock A. M. at the Peeler's Oyster Company's wharf and were aboard the schooner *Aqua Pura* with Capt. Johnson at the wheel. We had a very light breeze, but with the assistance of Messrs. Fred Borneo and Charles Tice with their skiff and oars, hove to in front of the boat to which we were hove to our point of destination, where we landed at 12:30 P. M.

All camp outfit was unloaded in skiffs and put safely on shore. The boys thought it time for lunch and we served a cold lunch, consisting of sweet pickle, ham sandwiches with as many trimmings. After lunch grounds were cleaned and cleared of weeds and rubbish and tents put up in regulation style. Mr. Webb started cooking dinner in regular camp style on charcoal furnace.

We had a guessing contest as to the cost of the veal dish. Sewell Firsching won, guessing the exact amount of costs \$3.50. With this dish spaghetti was cooked and we had dinner at 12 o'clock. The boys "cleaned up" a dish pan of spaghetti and the meat. We had a big camp fire and kept it going all night. Tents were sounded at 10 o'clock; all went to bed tired. We stood a regular guard of two hours. First two guards went on at 10, off at 12. Next 12 to 2; next 2 to 4; next 4 to 6.

FRIDAY, AUGUST 29.

Some of the boys were up at 4 o'clock ready for fishing. Judge Mauffray, John Mauffray and Eugene Ansley caught half of bushel baskets of bull breakers in couple of hours. Reville was sounded at 6 o'clock. All up and flag raised at sunrise. Breakfast at 7:30 o'clock and consisted of bacon, fried fish, big hominy, bread and butter and coffee.

Inspection of tents at 9 o'clock. All found clean and neat. At 10 o'clock bathing. After fresh water bath all boys took a fresh water "shower" at the artesian well in rear of camp. At 12:30 P. M. dinner, consisting of boudin courbouillon and fried croakers, coffee, bread and butter. Three boys served on k. b. duty each meal. After dinner the boys went to the woods mousing-hunting was very successful, bringing back sacks full of fruit. At 3:30 bathing and "shower" bath. All of the boys made the swimming test of 50 yards. We had a swimming drill in water. At 6 o'clock, consisting of boiled shrimp and crabs, bread and butter. Mr. Firsching sent us over a box of shrimp all ready picked, ready to boil and eat. The boys voted Mr. Firsching a rousing thanks for same. Sunset and the boys fell in for retreat, that was sounded by our famous bugler, Bert Sigerson, and flag hauled down. Taps at 10 o'clock and regular guard sentry followed. At 2 A. M. there was a commotion in camp. Amy Castelin was on guard. We came running in Mr. Webb's tent. He was sleeping soundly and we stumbled over him. He jumped up, looking for bear or some wild animal and asked the trusty guard the trouble. He replied: "Mr. Webb, I see a cow coming in to camp."

SATURDAY, AUGUST 30.

Reville at 6 P. M. Breakfast at 7:30 o'clock. Gris, bacon, fish, bread and butter and coffee. At 8:30 bathing and "shower" bath. At 9 o'clock inspection of tents. At 9:30 hike to the woods and more mousing. Dinner at 12 o'clock, consisting of tomatoes made of bacon, onions, shrimp and beef with coffee, bread and butter. At 12:30 at the sound of bugle all tents fell at one time and by 1:30 o'clock all packed and on board of boats on our way home, with Captain Randolph Firsching at the wheel of the *Aqua Pura*. We arrived safely at the Peerless wharf at 5:30 unloaded and reached home just before the hard rain.

Bay St. Louis Scouts, Troop No. 1, wish to thank Mr. George C. Firsching for his kindness in sending and bringing us back from camp, also Captain Johnson and Captain Randolph Firsching for their services in handling the boat. We felt perfectly safe in the hands of these efficient sailors. We had a great time, our only regret was we could not stay longer. Our cook and scout master, Mr. Webb, was compelled to get back on his job.

Our orders were: No bad language or smoking cigarettes. Each boy was put on his honor. Not a bad word was heard or cigarette smoked.

The cost of our trip was \$29.81. Pro rated it cost each scout only \$1.36 a day.

Experts or Theorists— Which?

The packing industry is intricate, complex—far more so than the railroads or the telegraph.

Every day multiplying needs of society increase its problems and multiplying responsibilities demand more of it.

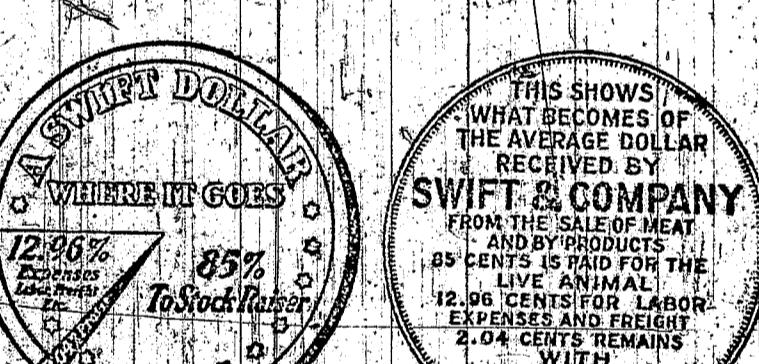

Highly trained experts, specialists of years' experience, thinkers and creative men, devote their lives, their energies, their activities to solving the problems of the packing industry and meeting its widening duties.

Swift & Company is not a few dozen packing plants, a few hundred branch houses, a few thousand refrigerator cars, and a few million dollars of capital, but an organization of such men. It is the experience, intelligence, initiative and activity which operates this physical equipment.

Can this intelligence, this experience, this initiative and creative effort which handles this business at a profit of only a fraction of a cent per pound from all sources, be fostered through the intervention of political theorists, however pure their purposes? Or be replaced by legislation? Does Congress really think that it can?

Let us send you a Swift "Dollar." It will interest you.

Just Once! Try Dodson's Liver Tone! Take No Calomel! Listen To Me!

If bilious, constipated, headache or sick, I guarantee relief without taking dangerous calomel which sickens and savrates.

Stop using calomel! It makes you sick. Don't lose a day's work! If you feel lazy, sluggish, bilious or constipated, listen to me! Calomel is mercury or quicksilver, which causes necrosis of the bones. Calomel, when it comes into contact with sour bile, crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are "all knocked out," if your liver is torpid and bowel constipation or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee: Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful, tonight, and if it doesn't "Ad.

IT'S NOT YOUR HEART,
IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. The majority of the ills afflicting people today can be traced back to the kidney trouble.

The kidneys are the most important organs of the body. They are the filters of your blood. If the poisons which are absorbed into the body through the kidneys are not eliminated through the kidneys, disease of one form or another will claim you as a victim.

Kidney disease is usually indicated by weakness, sluggishness, nervousness, despondency, headache, insomnia, trouble, pain in legs and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's

signals that the kidneys need help.

You should use GOLD MEDAL Heart Tonic. Clothes immediately.

The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it.

Go to your druggist today and get a box of GOLD MEDAL Haarlem Oil Kidney Tonic.

In twenty-four hours you should feel health and vigor restored.

After you feel somewhat improved continue to take one or two capsules each day, so as to keep the first-class condition of your heart ward off the danger of other attacks.

Hostess Saw Reason for Thankfulness
In View Set Forth by Her
Young Visitor.

Out on the east side the other afternoon a group of women were having a porch party. Now, all except one were married, and the married ones constantly talked to the one young spinster on the subject of getting married. They even went so far as to suggest some candidate for her hand. And of one the young woman said, "Oh, he wouldn't do. He's been married and I've not yet reached that stage when I have to take a widower."

Absolute silence followed that remark. With a wild start the girl realized that three of the women present, including the hostess, were second wives. She was just beginning to reach the most painful stage of embarrassment when the hostess laughed easily, and tried to utter a remark that would put everybody at ease. "Thank goodness you haven't," she said. "Otherwise you might be in my shoes and I in yours." Indianapolis News.
